

Q1 Corporate Learning Lab - First-Year Associates	
Date:	Tuesday, March 25, 2025
Location:	Live Webinar
Time:	1:00 – 2:00 pm Central Time
Description:	It is critical for corporate attorneys to understand how to conduct due diligence review on a target company in connection with an M&A acquisition or disposition, and how to manage the deal process to ultimately consummate a successful closing of the transaction. This course session seeks to walk corporate attorneys through the diligence process, the key material items for review, the do's and don'ts of diligence review, and how to report findings. It also seeks to help corporate attorneys understand the anatomy of the key provisions of typical commercial contracts, which are a material part of the due diligence review process.
