

Environmental Transactional Support

Experience

- Supported numerous proposed corporate transactions by providing buyers, sellers and lenders with practical assessments of potential environmental risks and by crafting contractual risk allocation provisions.
- Advised a major French mining and metal alloys company in its acquisition of a U.S. ferroalloys business from a Norwegian company, and then continued to represent the new owner in various environmental matters.
- Advised a rocket and missile propulsion manufacturer during the sale of its Electronics and Information Systems Group.
