Main Bio

Dylan has a wide range of experience in the Corporate, Securities, and Pro Bono practice areas, and commercial contract agreements.

Dylan has conducted due diligence for over two dozen middle market acquisitions, divestitures and joint ventures in energy, hospitality, insurance, batteries, technology, storage and healthcare industries. He drafted operating agreements and written consents in connection with portfolio entity formation, conversion and dissolution. Dylan maintained closing checklists and organized closing documents for over two dozen corporate strategic acquisitions. He also has drafted operating agreements for various joint ventures, and advises public companies in negotiating their service agreements and commercial contract agreements.

Experience
