Benesch Adds Associate to Corporate Team in Chicago

Press Releases

As Benesch continues to add to its roster of top-notch legal talent, the firm is pleased to welcome Associate Ashik Shah to the Corporate & Securities Practice Group in Chicago.

Ashik focuses his practice on private equity transactions, mergers and acquisitions, joint ventures, and general corporate governance matters. Ashik counsels and represents public and private companies, private equity funds and entrepreneurs in a variety of complex transactions, including mergers, stock and asset acquisitions, dispositions, corporate restructurings, and cross-border transactions.

Ashik is skilled in negotiating and drafting purchase, shareholder and equity agreements as well as closing complicated transactions by utilizing his strong communication skills with an emphasis on efficiency to meet client needs.

Ashik earned his J.D. from the University of California, Berkeley, School of Law and his B.A. in International Studies and Political Science with distinctions and a Minor in Spanish from Indiana University.
