Weinberg Capital Group completes successful exit from Sill

Press Releases

Weinberg Capital Group (“WCG”), a private investment firm, consummated the successful sale of its interest in Alex N. Sill Company (“Sill” or the “Company”), a leading public insurance adjusting firm in North America with offices throughout the United States and Canada.

Weinberg Capital Group acquired a controlling interest in the Company from the Sill family in 2018. With a focus on superior client service, expansion of its team and geographic footprint, and execution of other key strategic initiatives, the company successfully doubled in size since WCG’s 2018 investment. This successful outcome further solidifies Weinberg Capital Group’s reputation as a trusted partner for companies seeking growth and transformation.

The Benesch team, led by Mitch Gecht and including Rick Tracanna, Ryan Krisby, and Ester Khaykin, played a crucial role in facilitating this transaction.
