Main Bio

Michelle is a highly accomplished legal professional with over 20 years of experience in litigation and management of Legal Support and Litigation Assistants.

Michelle began her legal journey as a court reporter and quickly moved into a legal support position, where she provided valuable assistance to litigation attorneys. She continued with her career path moving on to becoming a Legal Support Manager overseeing legal support staff and paralegals. Michelle has proven herself as a leader and has been proactive in volunteering for critical teams, mentoring programs, software development, and client projects. In addition, she was instrumental in launching a firm-wide workflow project and assisted in developing a workflow coordinator position within the firm to effectively monitor and manage attorney work product.
